## *Fourth Annual*

# *Championship Gymkhana*

---

### FORWARD

The seventy-four contestants you will see this evening have qualified to compete in this, our Fourth Annual "Championship Gymkhana." These contestants are all members of the six Gymkhana Clubs which make up the Edmonton Gymkhana Association.

1963 saw a new method of determining those who would ride in the Championship Show. The "Point System" was introduced for the major events and it has been proven very successful. This system was devised in the hopes that you would see the true champions in the various events at this evening's show.

We have with us again this year Edmonton's two precision riding groups, the Edmonton Sheriff's Posse Musical Ride and the Fort Trail Gymkhana Club's Mounted Square Dance Team.

We wish to thank CFRN - TV, CBC - TV and the Edmonton Journal for giving us such widespread publicity.

Applause is appreciated by every rider, so if you enjoy the show let the contestants know you are in the stands appreciating their efforts.
